# Event Overview

## Gateway to Africa's Economic Powerhouse

The two-day program is designed to:

Facilitate Africa–Bangladesh Trade Show & Business Summit, Nigeria 2026 which is a focused international trade and investment platform organized by ABBF to connect businesses from Bangladesh and across Africa.

Hosted in Lagos, the summit brings:

- Direct market access
- partnership building
- Cross-border business deals all in one coordinated setting.

Exporters | Buyers | Importers | Investors | Industry leaders

# The Summit Experience

The program combines live product exhibitions, high-level business sessions, and structured networking. Delegates meet qualified partners, explore market opportunities, and build direct business relationships. A networking gala session adds an informal environment for deeper connections.

## Purpose of the Summit

- Connect Bangladeshi exporters with African buyers and importers
- Open new distribution and sourcing channels
- Support trade and investment partnerships
- Enable real B2B matchmaking and deal conversations

# Program Schedule

## Day 1

### Opening ceremony / Business connect

- Participant hosting registration and setup
